
35 Akhri Path In Punjabi REPACK

35 Akhri simply means 35 letters of Gurmukhi Punjabi Script, just like English has 26 letters. Guru Sahib never said to do a certain path certain times. Like you. [PRPABKTDS A](#)
03/05/2011 I prayed: "Dear Akhri, I know that I have been restless due to your endless ruckus, but a samaj of Knowledge is what I seek. I have no other path to follow apart from your teachings. I have often trouble finding genuine Gurmukhi writings and have no one to turn to. I find it hard to read some of the old, outdated stuff that you post on your website. It makes me sad because I have always loved Gurmukhi literature and even tried to learn some Gurmukhi. But, unfortunately, I have never been able to grasp even a little bit of what I had hoped to learn. I have always hoped that I would be able to impress you and those who were able to sit at your feet. I'm just hoping that I am doing the right thing, and that I will be able to be of help to you and your seed. All that I ask for is a chance. I don't even know where to begin. May the Bhai cause me to learn so that I may have a happy Sikh's life.
